Where (how many): Energy blocks held in chakras, meridians, auric fields, organs, within organ systems, muscles, tendons, tissues, fluid body/systems, cellular level, nervous system etc.

What: Blocks related to: negative emotion (self/other), negative thought form (self/other), neg entity (thought forms), toxin, chemical, environment, food intolerance, infection (actual, residue, memory), limiting self-beliefs, shock (electric, physical), trauma (birth), vaccine shock %, geopathic stress, ancestral (generations), past life, karmic, family member profoundly affecting

When: Identify timeline as to when block occurred. Was it present before birth (when), occur at birth, occur after birth (when)

Meridian clearing: 1. with intention statement. 2. hold/tap meridian opening points. 3. identify # of blockages, identify location/s of blockage/s, disperse energy and clear straight out.

Intention statement to clear blocks 'It is my intention to clear _____ from the _____, it is my intention to do this now, it is done.' Run this statement for chakras, meridians, auric fields, minor chakras, organs, glands at each session before close down.
